Deadline for receipt of applications: 23rd Feb 2012

### Helpful Hints on the Application Form

- Be careful with answer length – we limit the length of certain sections, so sending a three page answer where we ask for one page will just delay your application as we ask you to amend it!
- Take note of the award amount: €600-€1200 based on estimated travel costs. You should accurately calculate your travel costs using whatever means you have (travel agent, airline/train websites, etc.) and include a **full breakdown**, along with the source(s) so that the evaluation committee can verify them
- Remember to **sign** your form
- Before you apply, ensure you have included **all** of the accompanying documents requested on the form, as your application is incomplete without them. These are: (1) a copy of your already submitted abstract, (2) a letter of support from your supervisor/team leader, (3) a one page CV and (4) a short publication list (if available).
- We prefer you to email completed forms, as there is less danger of them getting lost in the post. If you do send it by post, make sure you allow enough time for it to reach us by **23<sup>rd</sup> February 2012**.

### Evaluation

- After you submit your application, the EACR Secretariat will check it for any obvious omissions and contact you if anything is missing or unclear.
- Submitted abstracts and applications will be evaluated by committee and applicants' quoted expenses verified
- **We aim to notify all applicants of the success of their application by 6th April 2012.**
