

EACR-20 in Lyon
EACR's
40th Anniversary
Meeting

Marco A Pierotti, EACR President and Conference Chair opens the Association's 20th Meeting

Karen Vousden gives the 'Mike Price Lecture' in plenary session

Robert A Weinberg (left) receives the 'Anthony Dipple Carcinogenesis Award' from Alan Clarke, Associate Editor, Carcinogenesis.

The EACR-20 Meeting Report is now available at www.eacr.org

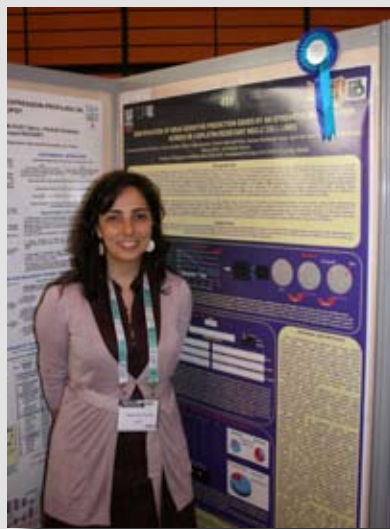

Marco A Pierotti (Centre) with EACR's new 'Honorary Members' Edith Olah, Sylvie Menard, Helga M Ögmundsdóttir and Klaus Schlaefer. Each award marked an outstanding and sustained contribution to the Association over many years.

Anchit Khanna arrived in Lyon having won an EACR bursary with an abstract selected for the Cell Press Award. Later, a different panel selected his poster for a Pezcoller prize.

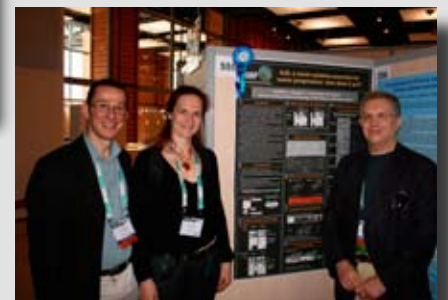

Pezcoller Poster Award Winners:

Inmaculada Ibañez de Caceres (above) Agnes Csiszar with Robert White and Marco A Pierotti (right)

Judges: Juan Carlos Lacall and Edith Olah

Thomas Schild (Council Member representing EACR Sustaining Member: Applied Biosystems) Presented the EACR - Applied Biosystems Research Awards to Presidential Session speakers: Hongbing Shen (China), Luis Carvajal-Carmona (UK), Gertraud Orend (France), Fabienne Leseur (France), Anthony Kong (UK), Gillian Dalgliesh (UK), Vanja Sisirak (France), Hege Russnes (Norway)

Victor Velculescu (left) winner of the Carcinogenesis Young Investigator Award, receives his award from Alan Clarke, Carcinogenesis

EACR Bursary Award winners gathered together following the General Assembly. Some of their reflections on the meeting appear overleaf.
