

## Updated shipping instructions for EACR Liquid Biopsies 2024 | 12-14 November | Lyon, France

This document contains important information. Please read it carefully and [contact Steph Milsom](#) if you have any questions.

As we have recently advised you, **Monday 11 November is a national holiday in France**. In a change to previous information we received, we have been told that no deliveries can be accepted on this date. **If you are shipping anything to the venue then you may need to make a change to your delivery.**

It is the preference of staff at the conference venue that deliveries of any stand equipment or conference materials should be arranged to **arrive on Monday 04 November**. If this is not possible, items should arrive no later than Thursday 07 November. Please email [stephanie.milsom@eacr.org](mailto:stephanie.milsom@eacr.org) if your delivery can only be made after Monday 04.

All deliveries will be stored by the venue staff until the first day of the conference, at which point they will be brought to the amphitheatre in which our meeting is taking place. **The staff member in charge of deliveries, whose contact details you can provide to your courier, is Patrick Boni:**

**Email:** [patrick.boni@ens-lyon.fr](mailto:patrick.boni@ens-lyon.fr)

**(please also include [maison.courrier@ens-lyon.fr](mailto:maison.courrier@ens-lyon.fr) in all correspondence)**

**Tel: (+33) (0) 4 72 72 87 37 / Mob: (+33) (0)6 51 24 61 95**

The shipping address remains the same:

**École Normale Supérieure de Lyon  
Maison du Courrier  
9 Rue du Vercors  
69007 LYON**

**EACR conference: Liquid Biopsies Amphitheatre  
12-14 November 2024**

**<Your company name and exhibition space number>**

Items that need to be shipped after the conference will be collected from the amphitheatre on Thursday 14 November in preparation for collection, **which should be scheduled for Friday 15 November**. The collection address is the same as the delivery address provided above. **You should send a copy of your collection paperwork to Patrick Boni by email using the details listed above.**

**A final note about this conference: all exhibitors should bring an extension cable with them**, as neither the venue nor the EACR can provide these. If required, please ensure you **bring your own European plug adapters**.
